How to Adjust the Time for Daylight Savings on a Panasonic – KX-TA308, TD816, TD1232 & TD500

The time can be changed from system manager phone
(generally the reception phone)

- Do not lift the handset
- Press the **“PROGRAM”** button
- Dial **** 1234**
- Dial **0 0 0**
- Press **“NEXT”** three times (shown on your display with the correlating button below)
- Change the time (using keypad)
- Press the **AUTODIAL /STORE** button
- Lift handset & hang up
